Pompom or Tassel

Wrap a length of yarn around your index finger a dozen times or so. Carefully remove the loop it and pass a 4 inch piece of yarn through the middle. Knot tightly so that all the looped strands stay together! Snip the loop opposite of the knot and trim all the edges to desired length.

Attach the pompom to the top of your hat with the ends of the knotted string. For a tassel, don't tie the pompom flush with the top of the hat so that it dangles.
